## **The Babbling Bruch**

Yours Truly is overwhelmed! I don't know what to say or how to say what needs saying.

My mother always taught us kids to write thank you notes to all who gifted us. I have tried to be faithful to that all my life. However, with all the cards and gifts and parties from Sacred Heart and St. John's and St. Malachy's, I should just write everyone in Boone county, plus, believe it or not, I am almost speechless.

My time here has turned out to be an awareness of God's faithfulness and unconditional love, expressed in so many wonderful cards, messages, personal notes, and generous gifts that honor the priesthood. I really wonder if our young men know the joy that awaits them if they feel called to respond to that inner voice that might be reminding them to consider looking into their service to Jesus Christ and the church as a member of the clergy.

I can only say sincere thanks to all and assure you of daily remembrance in Mass and Prayers. Please forgive me for not having the energy, and lack of organization to send each one of you a special note, thanking you for allowing me to walk with you on our journey back to the Father. Praise God through whom all blessings flow!
