The Babbling Bruch

Some time ago, a good friend suggested that I pray for patience. How about doing that together, as a people united with one faith, and one purpose, of building the Kingdom of God right here in Boone County.

I attended a workshop on preaching (giving homilies) this past week. One of the best workshops I've been to for some time. I realized I am doing some things okay, but became aware of some things I need to change. Bear with me please.

I will be leaving this Sunday for Cedar Falls and the American Martyrs Retreat House. Each year Church Law dictates that we are to make a retreat once a year. I love the silence at this Retreat House, and have lots of time for reading and praying. I have the habit of taking the parish list(s) with me and lifting up all the people on those lists as my way of staying connected. Retreats can be life-changing. Please take time to pray for me. God Bless you. Fr. Jim

Confirmation Practice

Christ Renews His Parish (CRHP) is a personal and parish spiritual renewal process. As Catholics, we are called to witness to one another the amazing things God has done for us. The CRHP process allows us to do just that—take a break from our busy lives, share our faith with others, and get to know God through his works.
